- **Abush Tariku Bedaso** submitted a business license issued by the Addis Ababa City Administration under a **joint venture with Solomon Tefera**. However, the **Tax Clearance Certificate** was issued by the **Dilla Town Administration Revenue Authority**. Since **Tax Clearance** must be obtained from the **revenue authority** responsible for the same place where the **business is legally licensed and registered**, this discrepancy indicates a lack of regulatory consistency. Accordingly, the submission does not **meet the legal and compliance requirements**.

The rest 7 (seven) bidders namely Hilif Construction, West Construction PLC, MS WW and GC PLC, Solid Stone Construction PLC, Dawa Construction and Trading, Leolinsam Trading PLC GT GWC has passed to the detail Technical evaluation.

## 2. Solomon Tefera JV with Abush Tariku Bedaso

The e-trade status confirms that more than two years have elapsed since the last renewal and the license is no longer renewable and must be closed. Accordingly, the submitted Water Works Construction Competence does not meet the validity requirements. In addition, the submitted Water Works Construction Competence Grade-1 document was found to be **edited/altered**.

Based on the preliminary evaluation result the following one (1) bidders could not succeed to the Technical evaluation due to the reasons below

- According to Letter of Bid Declare format is not fully addressed and properly.
- The bid was submitted in the name of **Victory**; however, the submitted **trade license and official stamp** are in the name of **GALI A/BOR A/GUMA**. In addition, the registration documents indicate that **GALI A/BOR A/GUMA** is a **newly registered contractor**, classified as **General Contractor (Except Water Works)**, with business trade license No. **ORO/JT/OFFICE/04/452/8857419/2017**, issued on **20 September 2024 as per eGP online record**.
