Subject: Clarification No. 2 on Bid Documents Procurement Reference No.: OBA-PACT-NCB-W/15/26

This letter serves as Clarification No. 2 regarding the bid documents for the project announced on January 4, 2026. Please note the following clarifications that have been made to ensure transparency and accuracy in the bidding process:

1. Lot-1 (Halega SSIP) Evaluation Criteria:

In the bid document, Section III (Evaluation Criteria) No. 4.2, the requirement for specific construction and contract management experience has been corrected. The criteria now require:

- At least one contract comprising irrigation system/water supply/drainage/bridge or similar water-related works with a minimum value of 34,000,000 ETB (Thirty-Four Million ETB), or
- Two contracts, where at least one contract has a minimum value of 20,000,000 ETB (Twenty Million ETB) successfully completed.

2. Bill of Quantities for Item No. 2.1.11.1:

The quantities for Yatu Bomba, Adada, Birbirti, Waltane, and Burka Sodu have been corrected. Only the first item (2.1.11.1) is to be considered, as the previous quantities were mistakenly doubled.

3. Summary of Bill of Quantities:

For Burka Sodu, Waltane, Birbirti, Adada, Yatu Bomba, Kuri Ganda Umara, Kuri Ganda Jilo, and Obagino Denda, the summary will now include Total, VAT (15%), and Grand Total at the end of the document.

4. Gudemso SSIP Bill of Quantities Summary:

The summary for Gudemso SSIP has been corrected, as the previous version was doubled. The first entry will now be considered as accurate.

5. Lot (Obagino-Denda SSIP) BOQ Item No. 2.1.12.5:
