

### **Kanara Engineering PLC**

- Inconsistent and false information on general and specific work experiences. Eg Albula Geto water supply which located in west Arsi zone the contract amount in letter of acceptance 36,112,408.71 but in contract agreement 12,037,469.4.
- Average Annual construction turnover does not meet the requirement (30,000,000ETB)
- The work volume of general experience and specific experience is inconsistent and does not meet the requirement e.g Kako water supply at south Omo.

### **Dinka Nigusie GWWC**

- Average Annual construction turnover does not meet the requirement

### **Nafsi Construction Contractor work plc**

- Average Annual construction turnover does not meet the requirement
- The work volume of general and specific experience does not meet the requirement, the bidder submitted false work experience.

**Accordingly, BH Engineering and MM Engineering PLC JV with Hayu WWGC and have passed for further financial evaluation.**

*(Handwritten signatures)*

*(Handwritten signature)*

- Average Annual construction turnover does not meet the requirement

#### **Tesema Teshome WWC**

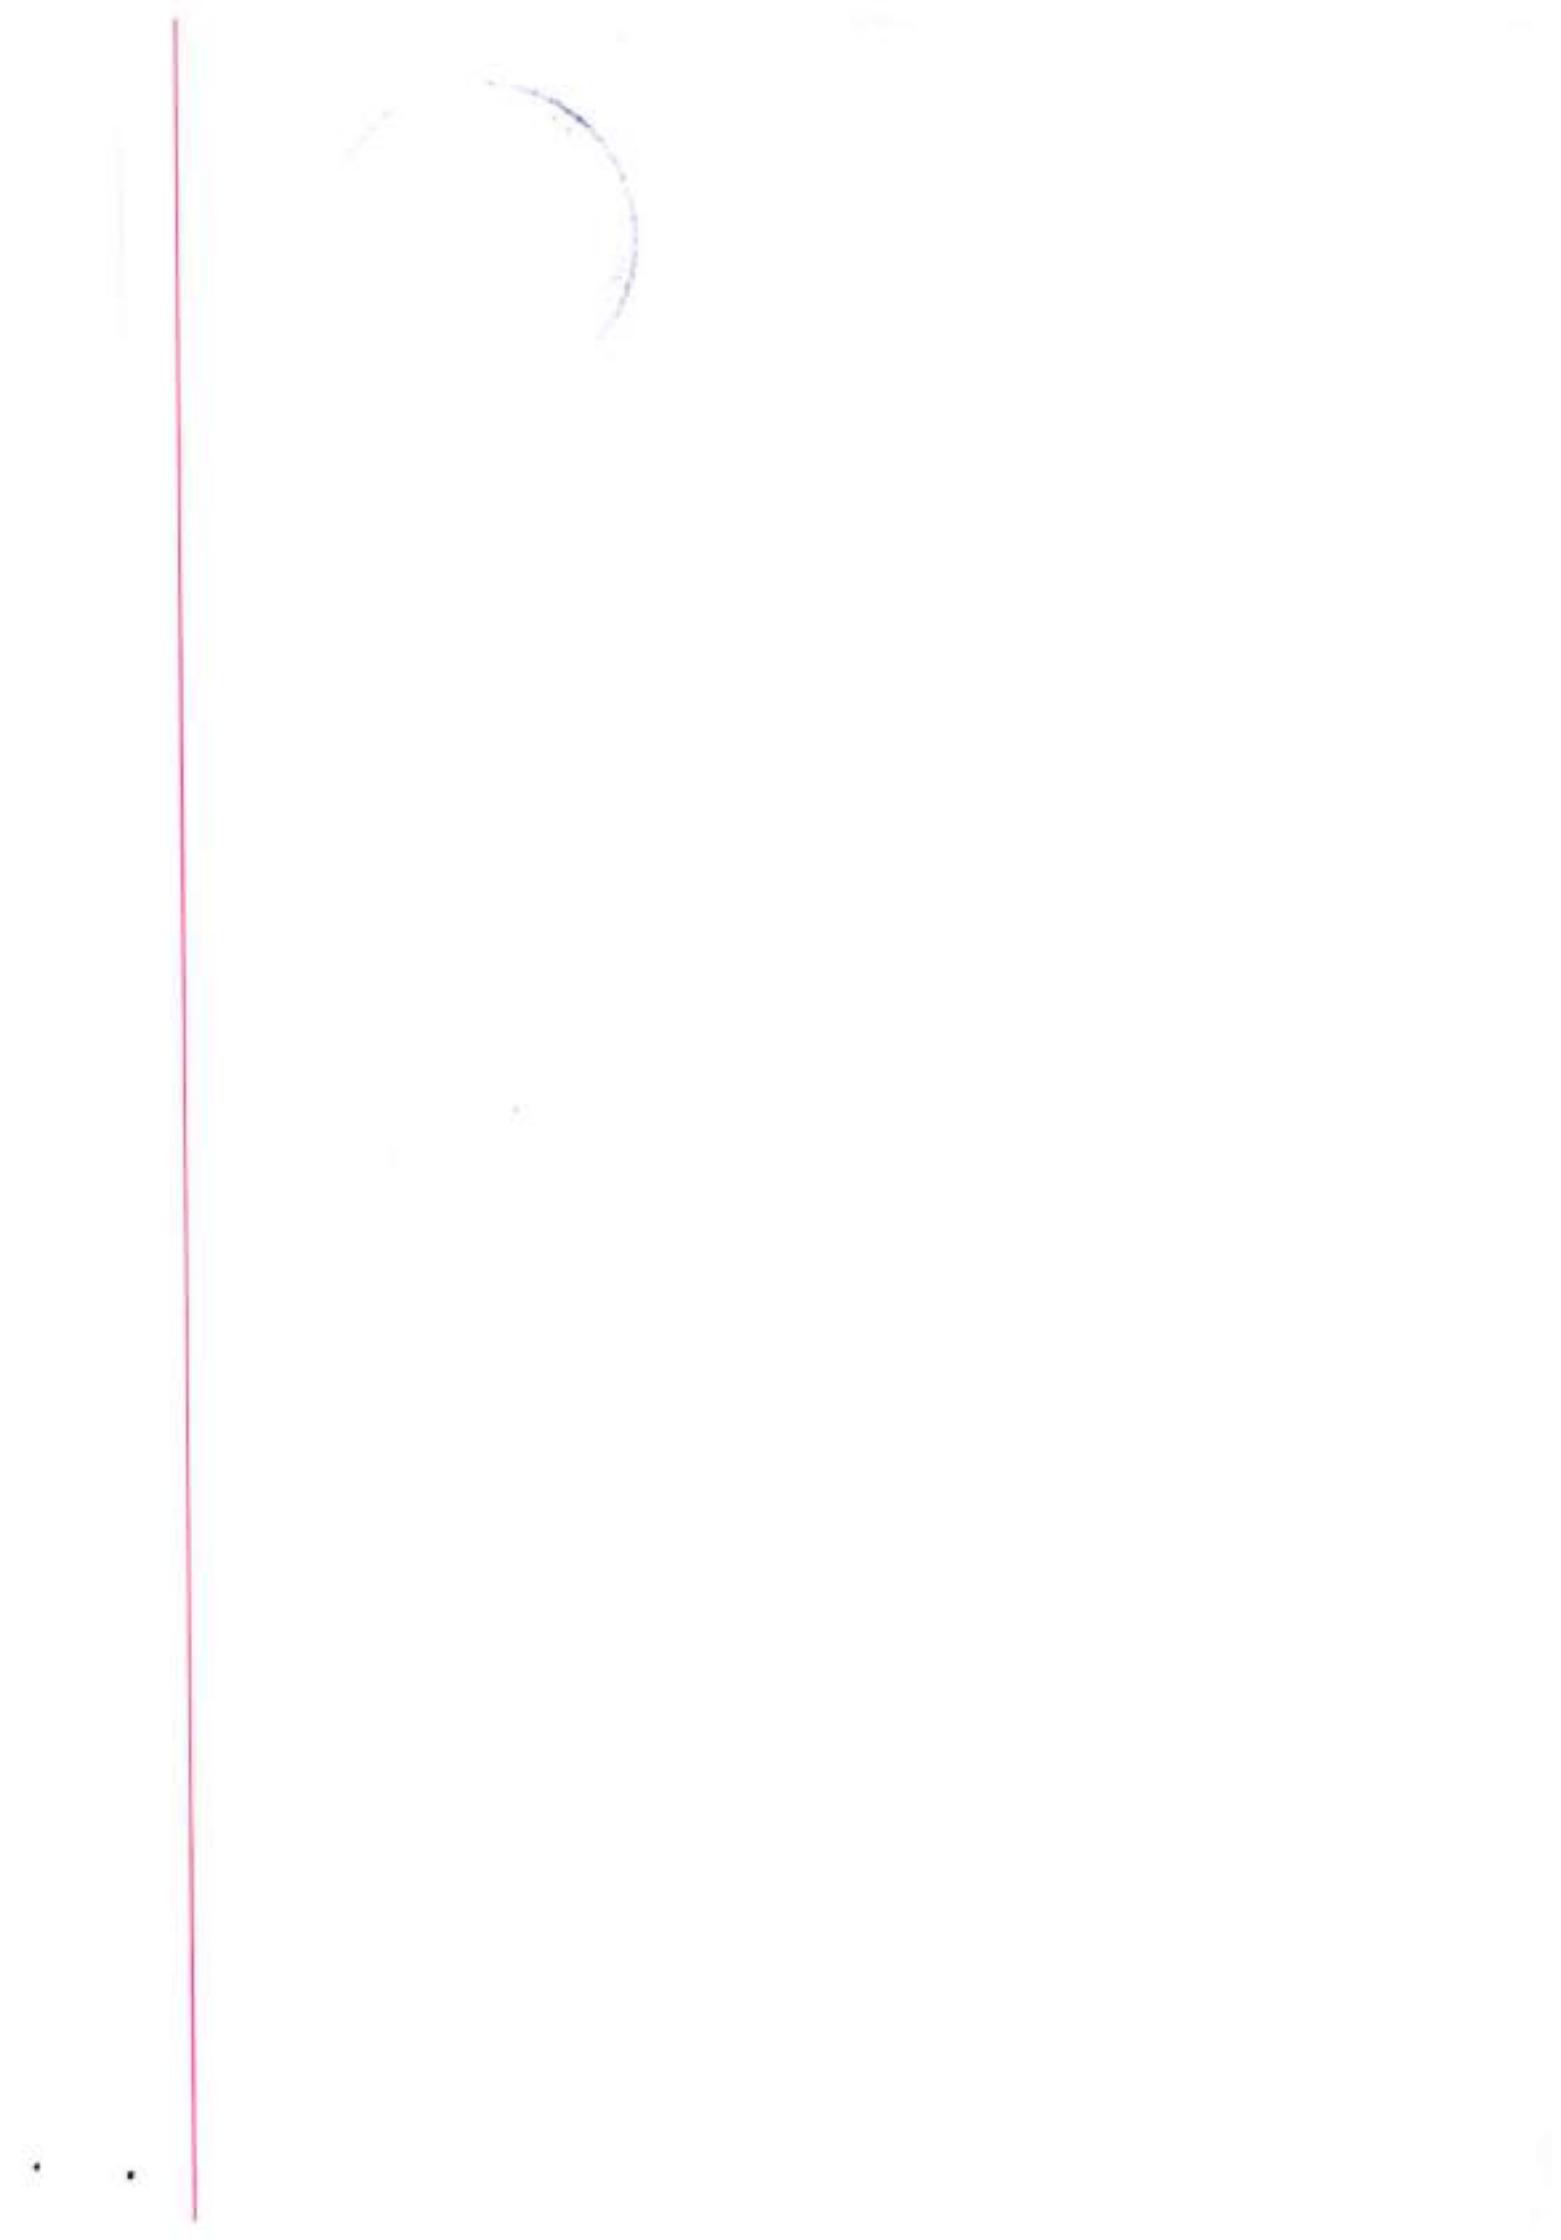

- Average Annual construction turnover does not meet the requirement
- The main contractor for the project is Jarso WWC in Joint Venture with ACME Engineering and Trading PLC and Concord Industrial PLC for the construction of Dabratsige town water supply project and Billa town Water Supply Project. However, the bidder, Tesema Teshome WWC, has entered into a sub-contract agreement only with Jarso WWC, excluding the other JV partners. In addition, the stamp of Jarso WWC used on the main contract and the sub-contract agreement are not the same.
- Furthermore, the sub-contract agreement was not approved by the respective project client.

#### **Fira Engineering**

- The work volume of general experience and specific experience is inconsistent (forged) and does not meet the requirement.
- Guri small scale irrigation and Jarso small scale irrigation projects are non-existing.
- Sude small scale irrigation project has no contract agreement and payment certificate
- Average Annual construction turnover does not meet the requirement

**Accordingly, Saamal'oo WWC have passed for further financial evaluation.**

**Idea of Bureau's Head Hilif Construction on the current FSRP BID (Odo Abile SSIP)**

- Less than 80% project at hand with the current Employer (FSRP Project at hand) as stated in Standard Bid Document (in Bid Data Sheet).
- Sluggish and Serious delay in mobilization (material, personnel), out of schedules in the expected construction progress, and heightened concern from woreda and Employer.

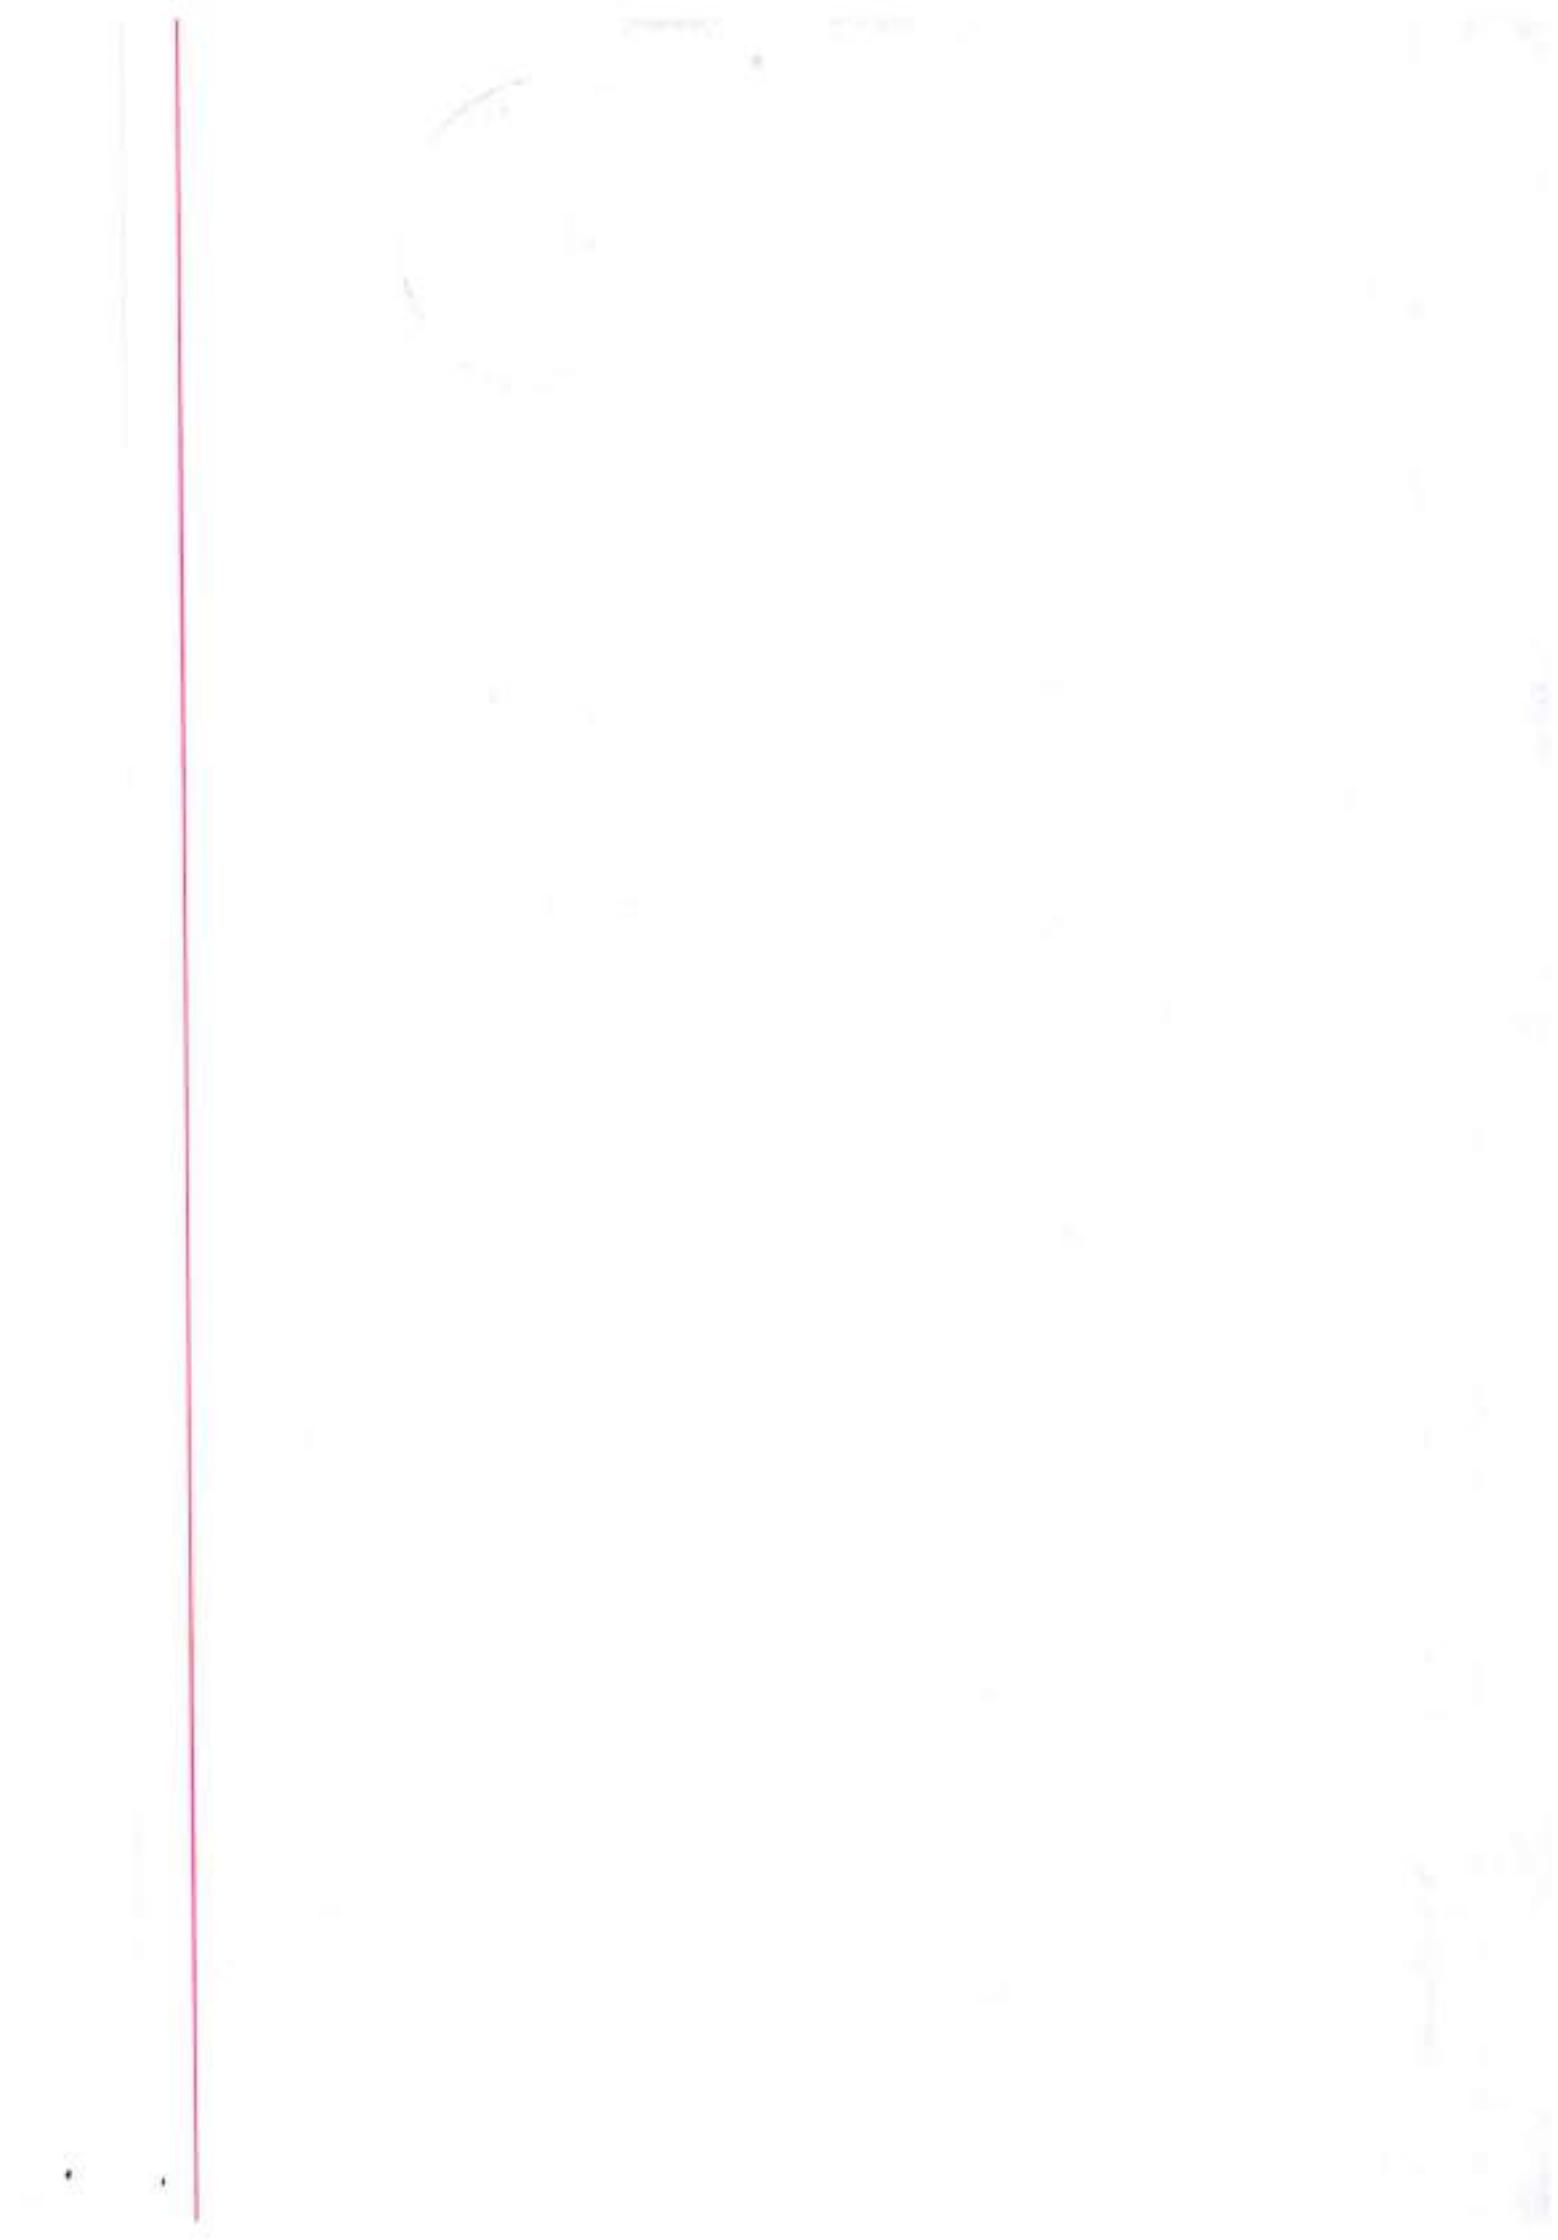

## Burka Gemechu WWC

- The main contract amount of Kume Badesse SSIP was 6,524,235.30 but the bidder submitted as subcontract as it was 22,026,100.32.
- Average Annual construction turnover does not meet the requirements
- The work volume of general experience and specific experience does not meet the requirement

**Accordingly, Bokucon construction and Hilif Construction have passed for further financial evaluation.**

Odo Abile SSIP technical evaluation								
No.	Evaluation Criteria	Number	Bidder's Name
